

WAGNER PROTEC GM1-530 (4-FINGER TRIGGER)

$922.90

Description

This reliable airless manual spray gun features a 4-finger trigger, designed for heavy corrosion protection applications with pressures up to 530 bar. It includes a built-in filter, ProfiTip nozzle holder, and rotary fitting for exceptional performance and versatility. An insulating handle can also be fitted for use with heated products.

Key Features:

- **Exceptional Spray Performance**: Delivers optimum coating results for tough applications.
- **Lightest in Its Class**: Reduces operator fatigue, even during extended use.
- **Compact and Ergonomic**: Combines a streamlined design with low trigger force for fatigue-free operation.
- **Uncompromising Quality**: Engineered for reliability and peak performance in demanding conditions.
- **Easy Maintenance**: Fast nozzle and filter changes minimise downtime and maximise productivity.

Achieve power, precision, and comfort with this outstanding airless manual spray gun. Built for the toughest jobs, it’s your go-to tool for heavy-duty applications.
