

BORON CARBIDE BLAST NOZZLE (XL VENT)

$833.80

Description

#8 boron carbide blast nozzle (XL vent) with aluminium jacket. Due to boron carbides hardness, it is ideal for use with aluminum oxide or silicon carbide as your abrasive blasting media. Be sure to handle with care, as although boron nozzles are very hard, they are also very brittle.

- #8 Nozzle (1/2" 12.5mm)
