These Black Nitrile Gloves are made from premium materials to provide outstanding protection for your hands. These are an essential item for workshop, studio, trade & DIY use and will outlast many of the other low grade gloves on the market, which are of lesser quality. Not only are they powder-free (so no irritation or residue), they are resistant to punctures and chemicals, making them ideal for use in a variety of areas, including woodcare, painting, art, creative, industrial, trade use and DIY projects. Each box contains 100 gloves.
