

7215CVE 6INCH PALM SANDER BLACK 10MM

$550.00

Description

The CP7215 series 6" (150mm) Random Orbital pneumatic Sander -3/8" (10mm) orbit- provides power with its 0.29 hp (210 W) and great comfort with its soft grip palm shape. Thanks to the compact design and lightweight, allows 1-handed operation. Designed for body shop applications such as the removal of heavy materials such as body filler, the orbital action provides the smoothest swirl-free finish possible. Available in 9 models for specific needs: 3 vacuum options: Non-Vacuum (NV), Self-Vacuum, Central Vacuum. 2 pad attachment options: Hook and loop, PSA pad. One hand or two hand options.
