

## TORBO L120

**\$36,300.00**

### Description

Complete with 20 metre hose set. The special feature of the torbo L120 is its many and diverse types of use. This system, specially designed for all-round requirements, distinguishes itself in everyday use. The careful removal of even stubborn encrustations from sensitive surfaces belongs to its scope of application as does the removal of concrete sludge and paint coatings or after-fire remedial action. Also available in a 240L variant. Please get in touch for more information!
