

## TORBO AC37 HEAVY DUTY 265CFM 3500KG

**\$126,500.00**

### Description

The torbocar models AC37-1 with assembled torbo-unit L120 plus a 265CFM with after-cooler compressor, plus large 250L water tank, plus 60m hose reel to guarantee shortest set up times and convincing handling. The torbocar AC37 with torbo L120 is the unit for all-round operation. The range of application extends from the careful cleaning of sensitive surfaces to concrete and steel clean-ups. While others are still setting up and connecting components, you and your torbocar are already in operation and then on your way home when others are still breaking down. Complete with 3.5 tonne (load capacity) dual axel trailer, with electric break-away brakes.
