

BULL HOSE

$172.26 – $604.56Price range: $172.26 through $604.56

Description

Our bull hoses are designed to withstand the toughest environments, offering superior strength and durability for high-pressure applications. Built with reinforced layers, these hoses are ideal for use in construction, mining, sandblasting, and other heavy industrial operations. They provide excellent abrasion resistance and flexibility, ensuring a reliable performance even in extreme conditions. Whether you need to transfer air, water, or slurry, our bull hoses deliver consistent, top-tier performance for all your demanding tasks. Available in various sizes and lengths to suit your specific needs.
