torbo[®] Wet Blasting

Used extensively in Europe and South East Asia for more than 35 years, torbo is the industry leader in wet abrasive blasting technology. Murphys Spray and Blast Equipment are the exclusive Australian distributor of the torbo wet blasting systems. We provide back up, service, training and parts, from our team of experienced sales and service professionals.

Book your on-site demo of the torbo wet abrasive blasting systems today, WE WILL COME TO YOU.

torbo SoftLine

TORBO/24001

The torbo Softline S is a small, mobile 60L device for simple and effective, gentle cleaning of facades. It requires no extra dehumidifier, no extra water hose to the jet nozzle and no heavy or expensive jet nozzle. Thanks to the control system, the blast abrasive mixture (80% blasting abrasive and 20% water) and extra water metered out irrespective of compressed air, so you can adjust the parameters independently of each other.
